

2013 HISTORIC PRESERVATION AWARDS

1928 - "Crescent House," 106 East Adams Street

Russell and Donna Pillar received a **Sears Catalog Home** plaque for their attractive "**Crescent**" model home located at **106 East Adams Street**. It is part of the 1926 Robertson's Madison Street Ardmore subdivision. Built **c.1928**, it sits prominently on its landscaped lot. An attractive rear addition was carefully planned to reflect the original architecture, keeping it in the proper scale with attention to element details.
