1911 - "Isel House", 36 E. Highland Avenue

Steven and Kathryn Greenbauer received a **Historic Preservation** plaque for their decorative concrete block Bungalow style house built **c.1911**. A large front porch is an attractive feature. Situated in the Ardmore subdivision of 1910, it is located at **36 E. Highland Avenue**. It is named the **"ISEL HOUSE"** for its first owner. The original lot was an acre of land. When their home was built, there were few homes in that area.
