Swim Pool Passes

Swim pool passes go on sale **Saturday, May 8**. Renewal applications will be emailed to all 2019 pass holders and pass applications for new pass holders will be available at the Iowa Community Center and on the Village's website, <http://www.invillapark.com/211/Parks-Recreation> prior to May 1. Information regarding swim pass fees, daily admission and procedures for purchasing swim passes will be available in the Summer 2021 brochure.

WSI Certification

The Village of Villa Park is offering a Water Safety Instructor course this summer 2021! To become a Water Safety Instructor, you must be at least 16 and demonstrate swimming ability equivalent to Level 4 in the Learn-to-Swim program. Becoming a certified Water Safety Instructor increases your professional commitment to water safety as an aquatic professional and qualifies you to teach Learn-to-Swim classes and coach at all levels. Candidates will receive login information by email and be required to complete an estimated 6-8 hours of online training prior to the start of this blended learning class on Monday, June 7, 2021. WSI candidates are required to bring a printed copy of your online course completion report to the first class.

AGES: 16 and older **\$300**

Lifeguard Certification Course

Work outside as a lifeguard this summer and get paid! If you are at least 15 years of age and able to pass a preliminary swim test you could work as a lifeguard for the Village of Villa Park. The preliminary swim test includes a 300 yard continuous swim, treading water for 2 minutes with only the legs, retrieving a 10lb diving brick from a depth of 9 feet then swimming 20 yards with the brick.

Successful completion of the course will certify you for two (2) years in Lifeguard Training, First Aid and CPR for the Professional Rescuer. All classes must be attended and lifeguard candidates are required to watch videos and answer questions online through the American Red Cross training website prior to the May 20, 2021 start date. Registered candidates will receive login information after registering for the class and be required to complete an estimated 6 hours of online training prior to the start of the class. Please don't hesitate to email or call with your questions. 630-834-8970; SEarl@invillapark.com.

Lifeguard candidates are required to bring a copy of their online course completion report (screen shot is acceptable) to the first class or via email. Upon passing this course and receiving an endorsement from the instructor, employment will be strongly considered.

Spring 2021

Mariners Swim Team

Mariners Swim Team

For the 2021 summer season, during Phase 4 of RESTORE ILLINOIS, the Mariners will host eight home swim meets and compete virtually against the other teams in the DuPage Swim and Dive Conference. Each of the eight meets and all practices will take place at Jefferson Pool and all attendees will have a screening before entering and need to follow social distancing guidelines. Unfortunately, due to the need for social distancing, the Village of Villa Park will not be offering Mini Mariners. We plan and hope to return to our regular program (having home and away meets, etc.) in the 2022 season.

In order to participate on the team, Swimmers must successfully swim one length of the pool using a legal stroke. There will be a general information meeting via Zoom hosted by the Villa Park Swim Team Parents Association. The Villa Park Swim Team Parents Association helps to organize and run (timers, scorekeepers, etc.) the swim meets for the team. This meeting event is free, but pre-registration is required by May 11 so the Zoom link can be sent electronically to interested participants. Members of the parents' association board will review social distancing protocols, symptom screeners and swim meet procedures that have been developed with VILLA PARK • Parks & Recreation staff.

AQM02-10 W 7pm May 12

Swim Meet Schedule

Due to the new meet format for this season, swimmers will be able to select their events for each swim meet. If needed, the coaches will make adjustments to the events selected. Each swimmer will also need to register on the swim team's online team manager platform (Active) to be able to select their events. This separate registration link will be sent by email after your registration with the VILLA PARK • Parks & Recreation has been processed and received by the Villa Park Swim Team Parents Association.
